## President Message

In an era of firm competition, success can only be achieved if one makes the right kind of effort at the right time. Your effort in choosing Swadhin Tripura Private ITI College as your Alma mater should be your best choice and I am pleased to welcome you. I am happy to note that Swadhin Tripura Private ITI College is following the ideals of integrated learning by giving opportunities to students to develop their personality through different co-curricular, extracurricular activities and soft skill courses. I am sure that your search for knowledge will definitely find its quench here and you will enjoy your stay at Swadhin Tripura Private ITI College.

You will be impressed with our programs, facilities and staff. We are here to serve you so that your dream of a better life can come true.

## Principal Message

I am delighted to welcome you to Swadhin Tripura Private ITI, one of the best colleges for INDUSTRIAL TRAINING INSTITUTE in Tripura. We started our journey in the year of 2016 by 'Swadhin' Trust in an ecofriendly atmosphere to fulfil the motto of quality Education. Education is a must for both men and women equally as both together make a healthy and educated society. Our motto is to provide education so that man finds himself in a room with all its windows open to the outside world. The Institution is built on a sprawling campus in Tripura (west), where every amenity that facilitates a studious environment is looked after. The board offers stellar guidance as the students pursue about different courses under one roof under the supervision of a talented team of faculty members.

The institute has well qualified and experienced faculty members and they are committed to excellence in teaching. Interactive relationship is maintained between students and the staff which enables the students to develop sound foundation. The faculty aims at putting extra ordinary effort towards motivating the students in solving actual industrial problems by undertaking various projects, industrial visits and in-plant training. The Institution is actively associated in grooming the trainees in ITI by nurturing them with inputs from various basic and specialized subjects. I enjoy being challenged and inspired by the people around me. I aim to enthuse and challenge staff and students to also be inventive and imaginative in their learning and day to day tasks. I believe that having quality, inspirational and passionate teachers is essential to a College success.

## ABOUT SWADHIN TRIPURA PRIVATE ITI (PR16000014)

### AFFILIATED TO NCVT

Directorate General of Training

### APPROVED BY DGET

Swadhin Tripura Private ITI College is NCVT affiliated ITI one of the best colleges in Tripura conducting Industrial Training in the areas of Electrician, Fitter trade. It was established in the year 2016 it offers the ITI training to all applicable candidates. It has been setup with a view to ensure a steady flow of skilled personnel and to reduce unemployment amongst the educated youth by equipping them with required skills, education and discipline for suitable industrial employment as well as self-employment. Basically, it has settled their talent growing center for newbie candidates at Tripura. This institute keeps a special due to well placed arranged workshop with all machinery and equipment, qualified and experienced Instructors, Staff and according to the standard of NCVT, Hence the primary object of the designed training is to make people fit for job as skilled workers in the surrounding industries. The campus has an extensive landscape of with lush green environment and is fully equipped with all the infrastructural facilities free from pollution with greenery all over in the campus.

### WHY SHOULD ANYONE HAS TO DO ITI?

Industrial Training institutes (ITI's) along with their self financing counterparts, Industrial Training Centre (ITC's) are constituted under the Ministry of Labour, Government of India. Hence graduation from these institutes is cost effective and not expensive. As the minimum education qualification is also easily fulfilled, so one who is having interest to acquire technical knowledge and want to earn early can also join. As NCVT certificate provided by ITI's have global recognition, so the aspirant can apply for both national and international positions. As the emphasis is given more on providing practical training, keeping in mind the industry and job requirements, the aspirant passing from ITI have an upper hand in the job. Trade specified ITI prepare technical manpower and provide the same to industries and service sectors. Industrial trade has its spread mostly in the unorganized sectors, which constitutes quite a big proportion to the job market of India.

### WHY STPITI?

We are welcoming all the students who had completed the madhyamik examination and now want to get skilled. Our main focus on the students that how they will get skilled by regular practical works.

## OUR POPULAR COURSES

### **ELECTRICIAN** Course Period: 02 Years

Electrician trade focuses on various aspects of electricity such as – wiring (residential, commercial and industrial), home appliances, electrical machines, lighting, electrical installations etc. The course thus aims at developing a skilled work-force of qualified electricians in India. An electrician is a tradesman specializing in electrical wiring of buildings, stationary machines, and related equipment. Electricians may be employed in the installation of new electrical components or the maintenance and repair of existing electrical infrastructure.

### **FITTER** Course Period: 02 Years

Fitter is an assembling structural framework vocational trade. The duration of trade is two years with two semesters of six months each and two final examination in both trade. There are many things/aspects students learn during course such as fitting and assembling structural frameworks and housings from materials like angle iron, I-beams, and plate steel, using hand-tools and welding equipment and following blueprint specifications: examines blueprints and materials list to obtain parts specifications, etc. The trade is very good from job point of view as it opens many options for self-employment on one hand and further studies options on other hand.

## ONLINE LEARNING MANAGEMENT SYSTEM @ STPITI

The whole world, including India, is passing through unprecedented difficult times due to the outbreak of COVID-19 pandemic. As all universities and colleges are closed due to national lockdown, the teaching-learning process and research activities have been badly disrupted. Future may have many uncertainties but difficult times demand quick appropriate decisions. Swadhin Tripura Private ITI (STPITI) has been engaged with this issue and contemplating measures to face the challenge of safeguarding the interests of the academic fraternity in general and students in particular by starting an Online Learning Process through STPITI learning management system. STPITI is committed to provide uninterrupted learning experience by means of online classes through indigenously developed state of the art web conferencing platforms.

## WORKSHOP

One of the finest workshop in the town.

## FACILITIES

The Swadhin Tripura ITI has a well developed campus with furnished classrooms for the students. It provides library and reading room for its students. The institute has well equipped labs and workshops with latest machinery and equipment which is being utilized for imparting training to the students.
